

Classroom Set-Up Support!

Thanks to our partnership with the Oakland Public Education Fund, we have been adopted by Girl Geek X once again, where we will have another year of supporting events on our campus!

DEF and GGX will be kicking off their partnership with us on Friday, August 4, 2023 by supporting the classroom and school set up! A team of volunteers will be on campus from 1pm to 4pm. If you would like some support setting up your classroom/office spaces, please sign up below!

| Classroom | Staff Member Name | Type of Support Needed | Volunteer Assigned |
|-----------|-------------------|--|--------------------|
